(CHORUS)

Whatcha gonna do  
When she says goodbye  
Whatcha gonna do  
When she is gone  
Whatcha gonna do  
When she says goodbye  
Whatcha gonna do  
When she is gone

So you're having trouble  
With your romance  
Well, you better check it out  
Before it goes, yeah

Cause you might not be seeing  
Things just the way you should  
And you don't recognize  
What everybody knows

(CHORUS)

And all at once  
You're ready to hang it up  
Cause things didn't turn out  
The way you planned, no

And all your friends  
They calling you a fool  
Cause you don't know  
A good thing when you've  
Got it in your hand

(CHORUS)

And all at once  
You're ready to hang it up  
Cause things didn't turn out  
The way you planned, no

And all your friends  
They calling you a fool

Cause you don't know  
A good thing when you've  
Got it in your hand

(CHORUS) 2X
