Nowhere to run to baby, nowhere to hide,  
got nowhere to run to baby, nowhere to hide

it's not love i'm runnin from,  
just a heartbreak i no will come,  
cause i no your no good for me, but you've become a  
part of me.

everywhere i go, your face i see,  
every step i take, you take with me, yeah, yeah

Nowhere to run to, nowhere to hide from you baby,  
got nowhere to run to, nowhere to hide from you baby

i no your no good for me, but free of you i'll never be,  
no, no.

each night intice me, into my heart you greed,  
i wake up feeling sorry i met you,  
hoping soon that i'll forget you.

when i look in the mirror, to comb my hair,  
i see your face, just a smile in there, yeah, yeah.

Nowhere to run to baby, nowhere to hide,  
got nowhere to run to baby, nowhere to hide.

i no your no good for me, but you've become a part of  
me, yeah, yeah

How can i find a lover, that shouldn't be,  
and its so deep, so deep, deep inside of me,  
my love reaches so high, i can't get over it,  
its so wide i can't get by it no.

Nowhere to run to, nowhere to hide from you baby,

I just can't get away from you baby, no matter how i try.

I no your no good for me, but free from you i'll never  
be, no, no.

Nowhere to run to baby, nowhere to hide,  
got nowhere to run to baby, nowhere to hide

got, got, got, nowhere to run,  
got nowhere to run to baby, and nowhere to hide,

got, got, got nowhere to run,  
no, no, no, no, nowhere to run,  
got, got, got, got nowhere to run,

nowhere to run to baby.
