Wanna tell you a story every man ought to know
If you want a little lovin' you gotta start real slow
She's gonna love you tonight if you just treat her right

I wanna squeeze her real gentle, you gotta make her
feel good
Tell her that you love her like you know you should
She'll be glad every night if you just treat her right

If you practice my method just as hard as you can
You gonna get a reputation as a lovin' man
Yeah, you'll be glad every night that you treated her
right

Hey, hey, hey

I wanna tell you a story every man ought know
If you want a little lovin' you gotta start real slow
She's gonna love you tonight if you just treat her right

I wanna squeeze her real gentle, you gotta make her
feel good
Tell her that you love her like you know you should
'Cause if you don't treat her right she will not love you
tonight

Hey, hey, hey
