[Chorus]

Are You Really Happy
With Your Man
You Make Me Feel Like
I Got to Do What I Do
To Make You Happy And Fix Your Life
You Make Me Feel Like
I Got to Do What I Do

[Sin-Singa]

Somethings Really Wrong Im Determined To Make It
Better
Is It Something Really Fucked Up You Couldnt Put it
Together
But Im Here To Let You Know That The Storm Is Making
You Wetter
Is Responsible For Letting You Drown In Sunniest
Weather (Yeah)
I Know Its Hard To Hear But Life Is Only But Bitter Sweet
It Only Comes Once With A Promise To Taste
A Lot Of Hungry Niggers Feening But They All Got To
Eat
Yeah I Can Be Impatient But For Her I Can Wait
I Think I Found The Cure Are You Ready For The
Solution
It Involves You Being Patient And Open For
Substitutions
Imagine You Being Single Was Something Like An
Illusion
Be With Me Make It Part Of Your Resolution
I Know You Kinda Spectacle But Let Me Try To Be Fair
Theres A Chance To Get Away From The Problems That
Arent There
You Can Hear The People Talking They Call Us The
Perfect Pair
And Im Only In Your Life Just To Prove To You That I
Care (Swagg)

[Chorus]

Are You Really Happy
With Your Man
You Make Me Feel Like

I Got to Do What I Do
To Make You Happy
And Fix Your Life (Uhh)
You Make Me Feel Like (I Gotchu Bro)
I Got to Do What I Do

[D-Rock]

Are You Really Happy With That Sucker
Thats All Im Askin
Me And You Together Thats Nothing Less Than Blesson
You Gotta Let Him So That He Can Learn A Lesson
Tell Him You Got Me Girl
And Do It Without Stressin
Cause See He On The Bench Sweety I Think You Need A
Starter
You Can Put It On A Jersey To Let Him Know To Work
Harder
To Keep You By His Side
Or Imma Come Through And Take You Im My Ride
And We Can Cruise Through The Town Like G & O
I'll Do Whatever To Keep You By My Side
See Lovin You Is Easy Cause Your You
But You Gotta Catch Up And Get Someone New
I've Loved And I've Lost But I Guess Its For The Best
Its Time For That To End Girl So Go Put That To Rest
Cause You Cant Be That Birdy Thats Living In His Nest
Knowing That You Love Someone Else Time To Get It
Off Your Chest
Im Tellin You This Because I Only Want The Best
We Should Be Together To Time For Us To Take The
Test
(Yung Swagg)

[Chorus]

Are You Really Happy
With Your Man (Uhh)
You Make Me Feel Like (I Gotchu Bro)
I Got to Do What I Do
To Make You Happy (Swagg)
And Fix Your Life
You Make Me Feel Like
I Got to Do What I Do
