fin-NESSE

YZ x2

(indiscernible) x2

CHORUS x2

Going ham on your bitch, man this shit is crazy
On the couch, in the house, man you lazy
Getting all the bread, man this shit is crazy
You know that cardigan and the team so fuck you pay
me

VERSE 1:

Ain't nothing more annoying than the haters
I stay with the green in the mean, alligators
Stay sippin lean, score TD (touchdown) like the Raiders
Money getting buff like Arnold Schwarzenegger
Waiting for my time, so don't forget to tip the
waiter
We a bunch of dream-chasers that's about to go
may-JAH (major)
Whip looking foreign, cruising through the Himalayas
Glock looking crispy, yeah I'm a Fish Filet-YAH (No
translation available)
Bullets look like nuggets, and I'm a Chick Fil-Et YA
Never been sweet, we'd rather die before we pay
up
Got some bitches cooking, wipe my oven, ni**as flippin
bricks
Got some bitches wasting time, my othe-----

CHORUS x2

VERSE 2:

Man, she text my phone; she say the money on!
She say my money grown, I'm never sober
Never party alone, your bitch a lover
A butter...pussy unknown...???(incoherent mumbling)
They hit you like a raindrop
Money stack like Pringle chips

Money take time, tick tock
I never been a snitch
And caught my lips on lip-lock
Everybody knockin like we playing knick knock (?) ---
(drop beat)

CHORUS x2

VERSE 3:

YZ so popular
Cool de mane, my fan d (?)
Ainâ€™t nobody stopping us
You boys work at Wendyâ€™s
Serving all ...(incoherent mumbling)
I got papers, I got papers so my trees always grow
Got a stripper bitch, canâ€™t stand the pole
Cause she say I trained her right, and she loving the
stroll (?)
Young you do it better, and flyer than OHHHH
I go to the mall, yeah I ball like DURANT
I never been a bitch n---- or know what I canâ€™t
(incoherent mumbling).....FINESSE!

YZ...Finesse (x2)

CHORUS x1
