Grew up in the city
Only knew of bright lights
Living like an actress
But the script donâ€™t read right

She was born and runninâ€™
Country at heart

Daddy tried to keep her
Scared as hell of letting go
She said Iâ€™m 22 and bulletproof
Now itâ€™s time for my show

She was torn but ready
Country at heart

And if you walk down the line
And those boots fit just right
Johnny Cash, the soundtrack of your life
And if itâ€™s love at first sight
In that Tennessee sky
Guiding you like a Northern Star
Youâ€™re country at heart

He came from a small town
Where he learned to play guitar
A little fame, a local saint
Youâ€™re gonna go far

He was born and runninâ€™
Country at heart

And if you walk down the line
And those boots fit just right
Johnny Cash, the soundtrack of your life
And if itâ€™s love at first sight
In that Tennessee sky
Guiding you like a Northern Star
Youâ€™re country at heart

When two hearts collide
With country inside

He can see it in her eyes
He knows that it's right
She knows that it's right
They know that it's right

And if you walk down the line
And those boots fit just right
Johnny Cash, the soundtrack of your life
And if it's love at first sight
In that Tennessee sky
Guiding you like a Northern Star
Yes, you're free and wild
Country at heart
Yes, you are

You're country at heart
You're country at heart
