She's coming down
She's coming around my hometown
Laying down yesterday's blues

She's setting me free
From those whiskey dreams
Letting go, and ready to love again

A new wind blowin' in the air tonight
Fresh set of wings, gonna learn to fly
Firecracker on the 4th of July
Gonna shine like a Georgia moon

A new kiss and a different smile
Gonna turn this ship around
Only thing left to do
Gonna shine like a Georgia moon

She's taking the wheel
In that front seat she'll steal my heart
Under a setting sun down a dusty road

Got the radio on
Running on a summer love
I'm on fire 'cause tonight we're born to run

A new wind blowin' in the air tonight
Fresh set of wings, gonna learn to fly
Firecracker on the 4th of July
Gonna shine like a Georgia moon

A new kiss and a different smile
Gonna turn this ship around
Only thing left to do
Gonna shine like a Georgia moon

Hiding from that love light
Been shut down for so long
Now the stars are align right
My guards are down
She's guiding me back home
Shining like a Georgia Moon

Weâ€™ re making plans
Taking our time building this
House of love under Georgia Moon

A new wind blowinâ€™ in the air tonight
Fresh set of wings, gonna learn to fly
Firecracker on the 4th of July
Gonna shine like a Georgia moon

A new kiss and a different smile
Gonna turn this ship around
Only thing left to do
Gonna shine like a Georgia moon

Shining like a Georgia Moon
