Mind's been runnin' like a freight train
Heart's been tied up on the tracks
Highway angel on horizon
Foot's glued down to the gas

A warm wind blowin' of
A down home kind of love
A new light come shining

The door is open wide
It's free to step inside
Come on lets fall tonight

Would you take me down your country roads
Show me love, sweet and wild
We can ride this fire down to Graceland
I wanna be in her state of mind

Spend the nights in the tall grass
Sharing secrets over wine
Getting lost in conversation
I see myself in Mary's eyes

Funny how life's like a gamble

Day to day, roll the dice
But when that pony comes a ridin'
You can't let her slip on by

Take me down to country roads
Show me love, sweet and wild
We can ride this fire down to Graceland
I wanna be in her state of mind

A warm wind blowin' of
A down home kind of love
A new light come shining
The door is open wide
It's free to step inside
Come on let's fall tonight

Would you take me down your country roads

Show me love, sweet and wild
We can ride this fire down to Graceland
I wanna be in her
I wanna be in her state of mind

Her state of mind
Yeah, her state of mind
