School's out, filling up the Chevy
Sun's burning down and I'm riding with my
baby
Don't know where we're going
But we'll know when we're there

Phone calls, everyone's meeting
Down by the water was the place to be
Nothin' like the feeling of love in the air

Oh, feels so good just to hold you
Nothing's better than that summertime lovin'
Sweet honey kisses on the front porch wasting time
A little moonlight dancing
Southern romancing tonight

I got my baby and we're barefoot runnin'
Oh, we're going ridin'
Got the perfect little place in mind
Nothing can be better than summertime lovin'

Sun's down, warm breeze blowin'
Backyard buzz, margarita sippin'
Coconut smell rolling off your skin

Sundress looking good on you
Catching your eye from across the room
Counting every second till you and me find a
Secret little place where we can get away

Oh, feels so good just to hold you
Nothing's better than a summertime lovin'
Sweet honey kisses on the front porch wasting time
A little moonlight dancing
Southern romancing tonight

I got my baby and we're barefoot runnin'
Oh, we're going ridin'
Got the perfect little place in mind
Nothing can be better than summertime lovin'

Oh, feels so good just to hold you

Oh, this nightâ€™s gonna end
But thereâ€™s so much more we can do

Nothingâ€™s better than a summertime lovinâ€™
Sweet honey kisses on the front porch wasting time
A little moonlight dancing
Southern romancing tonight

I got my baby and weâ€™re barefoot runninâ€™
Oh, weâ€™re going ridinâ€™
Got the perfect little place in mind
Nothing can be better than summertime lovinâ€™
