Yo, yo  
I light a spliff in a instant, watch the verbal lynch-men  
Dressed in crimson, do movies like Mel Gibson  
Ski a kingpin, we keep the people steppin  
He my partner like Danny Glover Mel's in 'Lethal  
Weapon'  
I'm Pacewon, well known to flip fags  
Wise the eye on Wise potato chip bags  
I zig-zag, laugh at guys I agonize  
A faggot dies, my rap sting like dragonflys  
Huh - just two of my rap samples  
Make rednecks with banjoes sing like Luther Vandross  
"I'm Bad," Pacewon "Rocks the Bells"  
Give me hugs, "I Need Love" like LL  
Yessir, the son of Derrick and Esther  
Dunn seen more naked chicks than Hugh Hefner  
Some be perfect, some of 'em gear be messed up  
Some have a weave or a bald head like Uncle Fester  
I hit the best of the skins y'all bink bink like pinball  
From Chaka Khan to Molly Ringwald  
Uh, I be puffin 'til my chest burns  
Ganja get smoked like cowboys and westerns  
Huh!
