I'm the freshest, PERIOD, Pacewon {Pacewon .. Pacewon

..

Get used to hearin it, yo, I'm well known
Klepto, stick you for your cell phone
I set traps, kill off rats, get the cheeses
Bullshit ceases; +Alkaholik+ flow like E-Swift
.. with more force than "Star Wars"
Lightspeed, don't forget to lock your car doors
Got a sawed-off pump; in the back seat
Of a taxi, unhappy, bustin like acne
Got a team that puff cheeba
Rush ya wide receiver, Cowboys style, black tequila
We addictive and I bug since
Some fiends would go to jail for this uncontrolled
substance
Sniff me, S.S. Vicky, straight bourbon
Got you turnin green, earlin urine
{*throwing up sounds*

[Chorus: Rah Digga]

Now swing it in Da Bricks - cause that's where the
money at!

All the way down to Philly - cause that's where the

money at!
95 South baby - cause that's where the money at!
This for the money and that's where the money at!
So we headin out West now - cause that's where the
money at!
Cali got the chronic - cause that's where the money at!
Bring it back home baby - cause that's where the
money at!
This for the money and that's where the money at!

[Pacewon]

Pacewon I'm like the +Lord+, +Finesse'n+ shit
Black belt, kick that ass definite (hi-yah!)
Look it up and recognize who you effin wit'
Count the times you see my name in the Testament
Huh - rap like sex'n'shit
How I be tossin it up and catchin it - yo!
My nigga just dope throughout the game
It's wild how loud my name echo, +Nasty+ like

Spray paint the walls of halls around the country
Jersey to Cali to Texas in one week!
Back to Jump Street; spit like Foxy
Train like Evander for the kids that wanna box me
Shit is not sweet! .. Place no one above me
Money hungry, stingy, love cream
