Yo yo yo, let's go smoke  
Yeah, down there by the train track  
Got this half pound - knahmsayin?  
And on the way there let's set off car alarms  
Youknowwhat!msayin? {\*boom\* Ey - yo!

Known to get wild, Pacewon throw his chrome up  
Let's see how you Jakes feel bloody with a donut  
Dr. Bypass-the-Wack, fly-asser  
Themes make you fiends work out like Thighmaster  
On course, avoidin every obstacle  
Takin life for granted, actin irresponsible  
Reckless! {\*boom\* .. better watch your back boy

Yo! I once knew this fast chick, mad thick, flava  
Heard some ghetto girls had words and it made her  
Steamed like hot water, thinkin shit's sweet  
Runnin lip 'til she crashed the whip her pop bought her  
The night before Christmas, all through the house  
All you could smell was the smoke from her, huffin a  
ounce  
Then she went drivin, still smokin herb  
Started to swerve, hit a hydrant {\*errrr\*  
Banged in the front grill, one I'll hoochie she is  
Drove off pumpin +Lo+, "Luchini" remix  
This female would smack kids, a little more than active  
This bitch was way out of control like rap is  
Reckless! {\*boom\* Huh  
Open your eyes and see it's unwise to be  
Reckless! {\*boom\* You know you need to calm down  
y'knahmsayin?  
You can't do this

Yo - one of my boys got shot in the throat  
He used to break day on the block, sellin coke  
5-for-20 seller, no girlie hassles  
Dirty rascal, never showered, smell worse than 30  
assholes  
(You stink!) Flamboyant, but made bad decisions  
Had a attitude (fuck y'all) went rags to riches  
Did some time on the Island and THEN  
He came back home and now he whylin again

Reckless! {\*boom\* Yo  
Open your eyes and see it's unwise to be  
Reckless! {\*boom\* Y'knahmsayin?  
Open your eyes and see it's unwise to be..
