Pacewon, I made a theme for the thieves

The shifty two-sixty bench child with foul comments

GOT DEEP POCKETS, and +Sticky Fingaz+ like Onyx

If I see a crew sleepin on they coiner

With funds I'ma stick 'em and run like Jackie Joyner-

-KERSEE, all New Jersey heads know that Pace be

A SNEAKY STAR, stealin VCR's out of Macy's

Takes we, eight-speed bikes, loaded rifles

I roll with pyschoes, that make noise like motorcycles

My crew's sick, on some real shit

You leave your wallet just layin around and I'ma steal it

Easy as that, I kill the crap, word is bond

I gaffle your jewels, and break moves to the pawn shop

When dough low a nigga gotta start juicin

So I made a blend for the men that be boostin

{The Thievz Theme.. "A full-fledged thief"

{The Thievz Theme.. "Always have beef"

Aiyyo, I'm the number one crook on the streets

{The Thievz Theme.. "A full-fledged thief"

Yo I boost like kleptos

Steal more than a college have step shows

Don't get close to the ruler, eatin crews up

Stealin all types of new stuff, the definition of a booster

One who robs shit the dopest

Can stick items in his pockets without bein noticed

The nigga flex like aerobics, check it

Pace got a shopliftin record

I'll rob you in a second, cash and clothes, bathrobes

What? I have to roll on assholes

Give me jewels, silverware, and the keys to your cars

and
I won't draw down and fire like arson
When dough low a nigga gotta start juicin
Sing like Whitney Houston for my niggaz that be
boostin
