[Pacewon]

This is a story, of a man

Unlike any other man, for this man is the.. WON!

[Break: repeat 4X]

Yo, yo, yo, yo, yo

Yo, yo, yo, yo, yo (WON!) (Pacewon..)

[Pacewon]

All across the world from the UK to Canada

Never have you seen a rapper of this calibre

Rock the microphone with energy and stamina

Brother so nice you could spell it out in algebra

P-Won MC = 10 of y'all squared

A hundred rappers scared I'll put dent in y'all beard

Grab you by the neck, stick a pen in y'all hear

That's what your label get for sendin y'all here

Why fight when you know you can't win?

You climbin up the ladder but I'm the champion

And these some awfully big shoes for dudes to stand  
in

Despite who you know or where you campin

You see, what y'all flip and make on the first

I trick off on broads, take home ya Earth

Fuck with a creole girl, take home the curse

Leave out the hospital, take home the nurse

[Chorus: Pacewon]

All these lil' jokers wanna play my game

But I'm boss here, say my name (PACEWON)

See I'm comin with the rhyme, my crew mad deep

I declare war, who that be? (PACEWON)

All these thick-ass pretty women checkin me out

"Say My Name" like Destiny's Child (PACEWON)

Just speakers in the car baby no backseat

Hear the bass kick, yo that's me (PACEWON) c'mon

[Break]

[Pacewon]

I'm way out of this world, superspectacular

I'm the O.G. that bit Dracula  
Make a slick kid mackadocious  
Stay away from young girls, I crack a ol' bitch  
Wifebeater, like Ike Turner  
Carry five heaters and like 9 burners  
Your homegirl like it, 14 guns  
The more heat I bring, the more she cums  
Debonaire, never fear  
Mad tipsy off Grand mixed with Everclear  
I got a, QB of 'dro and like 60 bucks  
Parked my whip, a limo driver picked me up and  
I jump in and smokin Hawaiian  
Watchin "Late Night with Conan O'Brien"  
Hit the studio your homegirl meet me  
Deeply entranced by my CD, easy

[Chorus]

[Break]

[Pacewon]

You can see it my aura  
I'm happy as a lil' kid playin Pop Warner  
And it's all thanks to my pops and {lpora?}  
I'm a performer not standin on the corner  
Made my house warmer than a sauna or jacuzzi  
Flew me to Italy  
P.E. #1, I'm the epitome  
I, dribble a riddle, hit a kid with a fiddle and  
Wiggle a lil' with my dick in the middle  
Just pull up in the alley with 10's on the chariot  
Got a 9-M-M and I do carry it  
Rock hell's bells, smoke weed, sell shells  
Cool as LL, well well  
See me like 6 tours later, superfresh nigga  
Best lookin girl in the club, I left with her  
Shocked the fuck out, yeah we all are  
We ain't wannabe b-ball stars this is rap music

[Chorus]

[Break]
