When you rose and rolled that stone away
This fallen world beheld the light of day
Now you're braking through
All our eyes on you oh Lord
You're all we're living for

And you have all our love
All our love
You are the only one
Worthy of all our love

We were lost you came rescuing
Paid our cost gaining victory
Death is torn apart
You have won our hearts
Oh Lord
You're all we're living for

And you have all our love
All our love
You are the only one
Worthy of all our love

You have all our love
All our love
You are the only one
Worthy of all our love

You paid my sinful debt
You died my shameful death
There is no greater love

You paid my sinful debt
You died my shameful death
There is no greater love

You have all our love
All our love
You are the only one
Worthy of all our love

You have all our love

All our love
You are the only one
Worthy of all our love

You are so worthy
Worthy of all our love
Yeah
