Take this sin away from me
Carry it as far
As the west if from the east
Take this heart and set it free
And make it just like yours
To live inside of me

For your glory I am yours

I give you everything
This is my offering
I'll give you anything
You want from me, Jesus
I give you everything
This is my offering
I'll give you anything
You want from me
Just ask and you'll receive

Take my life and make me whole
So that I live for you
Forget about myself
Take my self and make me selfless
Surrender to your will
So that I will be filled

For your glory I am yours

I give you everything
This is my offering
I'll give you anything
You want from me, Jesus
I give you everything
This is my offering
I'll give you anything
You want from me
Just ask and you'll receive

Cause I know that you believe
Believe in me

For your glory I am yours

I give you everything
This is my offering
I'll give you anything
You want from me, Jesus
I give you everything
This is my offering
I'll give you anything
You want from me
Just ask and you'll receive
Cause I know that you believe
Believe in me
