Where you go I will go
What you say I will say
I will stand with you Lord
If you will show me the way

Until the day you return to your throne
All the voices we raise will make it known

That we are free at last
Free at last
We are forever separated from our past
Free at last
Free at last
Together all Gods people sing we are free at last

What you pray I will pray
And where you are I belong
What you see I wanna see
Cause where you are is where I wanna be
Until the day you return to your throne
All the voices we raise will make it known

That we are free at last
Free at last
We are forever separated from our past
Free at last
Free at last
Together all Gods people sing we are free at last

And weâ€™ll sing
Hallelujah
And weâ€™ll sing
Hallelujah

We are free at last
Weâ€™re free at last
We are forever separated from our past
Weâ€™re free at last
Weâ€™re free at last
Together all Gods people sing we are free at last
Together all Gods people sing we are free at last
Together all Gods people sing

we are free at last
we are free at last
