When we all make our own decisions
Weâ€™ve only got ourselves to blame
Since Iâ€™ve put my life in your hands
I could never, never be the same

By his blood
By his grace
By his wounds we are healed
And in turn
In our lives
All his greatness revealed

So cover me
With love from the father
Use my life for your greater good
Shelter me and keep me from the life that I once knew
This is my prayer to you

Though Iâ€™ve failed in all directions
Itâ€™s your grace that gives me life
To trade your only son for my protection
That was the greatest sacrifice

By his blood
By his grace
By his wounds we are healed
And in turn
In our lives
All his greatness revealed

So cover me
With love from the father
Use my life for your greater good
Shelter me and keep me from the life that I once knew
This is my prayer to you

All my life
Iâ€™ve waited for this moment
To be so close to you
And oh Iâ€™ve tried
To earn my own salvation
But there was nothing I could do

Except surrender it all to you
So I surrender it all to you

So cover me
With love from the father
Use my life for your greater good
Shelter me and keep me from the life that I once knew
This is my prayer to you
