Your word is a lamp to my feet
A light to my path
A promise you keep
Your love is a guide to me
Alive in me
Your face is all I see

I give it all to you
Your promises will see me through and

You are the light the shines in me
The light of the world
The faith that I need
Jesus you are the life that I will lead
The savior of the lost
In our time of need

Your grace is a gift I receive
The truth I believe
A love that sets me free
Your love is a guide to me
Alive in me
Your face is all I see

I give it all to you
Your promises will see me through and

You are the light the shines in me
The light of the world
The faith that I need
Jesus you are the life that I will lead
The savior of the lost
In our time of need

I wanna shine just like a star
That reveals just who you are
So that all the world can know of your love
I wanna shine just like the Son
Who shed his blood for everyone
So that we may all find a new life in you
Cause that's what gets us through

You are the light the shines in me
The light of the world
The faith that I need
Jesus you are the life that I will lead
The savior of the lost
In our time of need
