My heavenly father rescued me
Uncovered my eyes so I can see
He gave to the world His only Son
And a new life we have just begun

I give my life to you
These hands are yours to use

I wanna be your witness
I wanna be your proof
I wanna be a living testimony
That you are the truth
I wanna teach forgiveness
I wanna show your love
To everyone that I can
So they know that you're the God above
Make me your witness
Make me your witness

I want to live the best I can
I wanna be a better man
And I will take every chance I get
So far from finished I am yet

I give my life to you
These hands are yours to use

I wanna be your witness
I wanna be your proof
I wanna be a living testimony
That you are the truth
I wanna teach forgiveness
I wanna show your love
To everyone that I can
So they know that you're the God above
Make me your witness
Make me your witness

The greatest among you they will serve
The faithful and the weary all deserve
To know of your love
Jesus

My heavenly father rescued me
Uncovered my eyes so I can see
He gave to the world His only Son
And a new life we have begun

I wanna be your witness
I wanna be your proof
I wanna be a living testimony
That you are the truth
I wanna teach forgiveness
I wanna show your love
To everyone that I can
So they know that you're the God above

I wanna be your witness
I wanna be your proof
I wanna be a living testimony
That you are the truth
I wanna teach forgiveness
I wanna show your love
To everyone that I can
So they know that you're the God above
Make me your witness
Make me your witness
