This time
We only have ourselves to blame
For the reason things got so lame for us
You let them water down your fight
Separate your strength from fright.. Your frightened
mind
This time
You let them shower us in shame
Theyâ€™ve caged our souls this world has gone so
insane
But I am not ready to let go of this
Iâ€™m prepared to take the... fight to them I know
Iâ€™m strong
Iâ€™ve felt this push before
But if we fail to heed this call
Then theyâ€™ll take all
I know Iâ€™m not alone
The man has gone to far
Our numbers start to grow
Heâ€™s tightening his grasp
We canâ€™t escape his face
So donâ€™t let go of this
You know itâ€™s time to fight...
Weâ€™ll take the fight to him this time I know that we
are strong
It takes this kind of push to change or theyâ€™ll take
all
Iâ€™ll take the fight to him this time I know that I am
strong
And if we fail to heed this call then they take all
Separate your strength from fright
Your frightened mind
