She's the other name of ecstasy, my wildest fantasy,  
the Venus that I've  
Never known  
Girl I see the sunshine on your face, take my love  
embrace, I would like to  
Make you my own

Pour your fuel on my fire - watch me burn, watch me  
crave

Chorus

THAT GIRL Â– Her body is a temple  
THAT GIRL Â– I'm willing and able  
THAT GIRL Â– I wanna hear her cry

THAT GIRL Â– My sweet obsession  
THAT GIRL Â– Twisted fascination  
THAT GIRL Â– The drug that gets me high

(Her) Cinderella feet don't touch the ground, leaves me  
spellbound, she  
Looks so good it drives me crazy  
Darling won't you show me the sign, read between the  
lines, tell me that  
You'll be my baby

Pour your fuel on my fire - watch me burn, watch me  
crave

Repeat chorus

THAT GIRL, THAT GIRL, THAT THAT THAT THAT GIRL

(Give it to me) She gotta gimme, gotta gimme, gotta  
gimme her love x6

Guitar Solo

Pour your fuel on my fire - watch me burn, watch me  
crave

Repeat Chorus

Twisted fascination, twisted, twisted, that
