(dig down) (down)
(dig down) (down)
Dig down deep
And break straight
Dig down deep
And break straight
You can watch your garden grow
And scan along the surface
And take it slow
Just let nature have its way
And let your little flowers go
Where they may
If you dig down deeper
(down deeper)
Under the ground (oooh yeah)
Gotta dig down deeper
Girl you can,
If you're wanting to win,
Then you better begin
To get a little bit dirty
And dig deep down
(oooh yeah)
You can keep things as they've
Always been
And you'll never leave the row
You've been planting in
Take the chance and make the leap
And anything can happen
When you dig down deep
So dig down deeper!
(oh yeah!)
Under the ground
(under the ground)
Gotta dig down deeper
Girl you can,
If you're wanting to win,
Then you better begin
(ooo yeah yeah)
To get a little bit dirty
And dig deep down
(yeah yeah)
Come on

And dig deep down!
Dig deep down
And break straight
Dig deep down
And break straight
Dig deep down
And break straight
So you decide to make your stand,
Step up and put the world to shame
There may be no luck upon your head,
No you didn't choose this game...
(noo!) oh you don't want to lose this game so,
Dig down deeper (yeah yeah)
Under the ground!
(under the ground!)
Gotta dig down deeper,
Girl you can,
If you're wanting to win,
(if you're wanting to win!)
Then you better begin
To get a little bit dirty
And dig dig down...
Gotta dig deep down (yeah!)
Ohh you gotta dig deep down...
