A dream like this not something you wish for  
A dream like this not something you ask for  
When it's a gift worth taking a chance for  
Then this is something to dance for

This is something you dance for

There's a moment when you look to the side  
Who will fall, who will survive  
That's the moment when you find it inside  
On the line, this is your time  
And it's all i want, And it's all i do

A dream like this not something you wish for  
A dream like this not something you ask for  
When it's a gift worth taking a chance for  
Then this is something to dance for

This is something you dance for

Be be be my bff  
'Cause IDK what's comin' next  
And I'll be LMHO with the rest  
So TTYLXOX [X2]

Show up in the same dress  
We don't know who wore it  
Best not make a big deal  
Act likes it's a new trend

Look good when we go 'round  
Here try on these boots i found  
This boy who said you're sweet  
He's got a best friend

Be be be my bff  
'Cause IDK what's comin' next  
And I'll be LMHO with the rest  
So TTYLXOX [X2]

XOXO

A dream like this not something you wish for  
A dream like this not something you ask for  
When it's a gift worth taking a chance for  
Then this is something to dance for[X3]  
(Be be be my bff  
'Cause IDK what's comin' next  
And I'll be LMHO with the rest  
So TTYLXOX )[X4]
