Intro: Jeru

Yo, are you a pimp, a hustler?

No I'm not.

Are you a man, and can you stand alone like a man has to sometimes?

Yes I can.

Are you willing, to go out there and save the lives of our children,

even if it means losing your own life?

Yes I am.

I believe you Jeru, you're ready.

\*You've no-no-nothing to worry about\*

Verse One:

Now, I don't push a Lex

Others had their turn to flex, Jeru is up next

All, these so called players up in the rap game

Got brothers on the corner selling cooked cocaine

It used to be LaToya and, jim hats

But now it's uzis macs and, g-packs of cracks

Everybody's psycho or some type of goodfellow

But me I keep it real that's all swine like jello

Don't drink Cristal, and I can't stand Mo

Never received currency for moving a kilo

Or an ounce, make em bounce to this fake-pimp free flow

I never knew hustlers, confessed in stereo

Or on video get caught you'll know who turned State's

Evidence, murder weapon, confession and fingerprints

Mama always said watch what comes out your mouth

Tight case for the DA from here to down South

Knowledge wisdom understanding like King Solomon's wealth

You're a player but only because you be playin yourself

Chorus:

With all that Big Willie talk, hop, you're, playin yaself

With all that big gun talk, bop, you're, playin yaself

With all that rah rah rah, you're, playin yaself  
You're, playin yaself, you're, playin yaself

With all that rah rah rah, you're, playin yaself  
With all that big gun talk, bop, you're, playin yaself  
With all that Big Willie talk, hop, you're, playin yaself  
You're, playin yaself, you're, playin yaself

Verse Two:

Now these ladies is lookin pretty from city to city  
I refined a few I met, around the country  
The nitty gritty, it's all reality, no question  
Actual fact like tight jeans cause yeast infections  
And sisters with good minds, get no respect when  
Their ass is all hangin out, playin the bar section  
of the club shake what your mama gave ya, back to the  
lab  
I drop the truth, cause rhymin is more than just my  
craft  
Or a way to get ass, or fast cash, or blasted  
Black women, make sure you're respected  
When niggaz is kickin that old off the wall shit, let em  
know  
from jump: "Dead it", you're not ignorant  
Knowledge wisdom understanding is the key to wealth  
Put some clothes on that ass if you respect yourself

Chorus:

With those hooker type wears hon you're, playin yaself  
With those skin tight jeans baby you're, playin yaself  
Everything all exposed you're, playin yaself  
You're, playin yaself, you're, playin yaself

Everything all exposed you're, playin yaself  
With those skin tight jeans baby you're, playin yaself  
With those hooker type wears hon you're, playin yaself  
You're, playin yaself, you're, playin yaself

Verse Three:

Now, I don't bust a tec, bubble drugs  
in the projects, or use mics to sell sex  
Niggaz, nowadays is all about this  
So much ying yang, it's ridiculous  
If you got so much cheese where are the black  
distributors  
And these record companies shake em down like  
mobsters  
But impostors, like commercial locks are not rastas

Always fakin moves, never, makin moves  
Asses shake, bottles pop, the government is breakin  
down  
you fools, you work all week and give the devil back his  
loot  
for jewels, and the steak on your plate is filled  
with chemicals, still, brothers leave brothers  
all battered and bruised, on the streets  
Won't see snakes on my feet  
The race is on, but I won't compete  
In this competition, because I have a greater mission  
I hope that you listen  
Knowledge wisdom and understanding brings, long  
life  
and health, think anything else and ya playin yaself

Chorus:

So all that Big Willie talk, hop, you're, playin yaself  
And all those skin tight jeans hon you're playin yaself  
And all that rah rah rah, you're, playin yaself  
You're, playin yaself, you're, playin yaself

And all those hooker type wears baby you're playin  
yaself  
And all that big gun talk money you're playin yaself  
Everything all exposed you're, playin yaself  
You're, playin yaself, you're, playin yaself
