Looking for a bit of trouble
I wanna have a little fun tonight
Watch me while I speed it up
Counting down get it get it turn it up

Gonna work it just like that
Follow me until the game's over
Move closer, bring it back
Marching like a comeback soldier

I can't help myself
I could be a drummer girl
Move it like this
Loving how you put it down with me
Move to the beat of my drum
Got it like eh! Boom, da da! Ah!
Eh, boom da da!
Got it like eh! Boom, dada! Ah, move
Move to the beat of my drum
Got it like eh! Hey!

Show me if you got it
Lemme see your game face on for me
Work it, don't you make it stop
Partying with my shades on, baby
I could your ringleader, yeah
Calling on the shoots tonight
Giving you a little fever
So keep it going til the sun rise

[Chorus]

So if you wanna break it down
Try to keep up with the rhythm now

[Chorus]
