Ahh Yeahh yeahh

I see the spotlight in my dreams  
I just wanna reach out  
find out what it's all about  
I'll have to turn in wiith  
all leards of a different feather  
where they were together

No matter what may  
happend in our lifes  
you are you,and I am I  
I wanna rule the world  
you wanna wake it up  
but we're here for each other  
no matter what

Like fire to the plane  
like water to the rain  
like blue to the sky  
You and I  
will stick it up  
for each other  
it's our time

Nothing's gonna  
break us apart  
we'll always gonna  
shine in the dark  
wherever we go  
wherever we are  
we'll always be like two halves  
of the same heart,same heart

Standing on the top  
of the world

everything is magic  
you know that we have it  
even though we're two  
different girls  
you know it's ok  
time to celebrate,yeah

It's the greatest moment  
of our lifes  
you are you,and I am I  
I wanna rule the world  
you wanna wake it up  
but we're here for each other  
no matter what

Like fire to the plane  
like water to the rain  
like blue to the sky  
You and I  
will stick it up  
for each other  
it's our time

Nothing's gonna  
break us apart  
we'll always gonna  
shine in the dark  
wherever we go  
wherever we are  
we'll always be like two halves  
of the same heart,same heart

Shine in the dark..ah.whoa..

Let's go girl  
let's go girl  
go go go  
hey hey hey

Like fire to the plane  
like water to the rain  
like blue to the sky  
You and I  
will stick it up  
for each other

it's our time

Nothing's gonna  
break us apart  
we'll always gonna  
shine in the dark  
wherever we go  
wherever we are  
we'll always be like two halves  
of the same heart,same heart

Yeah,yeah  
same heart
