A dream like this, is not something you wish for  
A dream like this, is not something you ask for  
When it's a gift worth taking a chance for  
Then this is something you dance for  
Hey yeah yeah, ohh this is something you dance for

There's a moment when you look to decide  
Who will fall, who will survive  
That's the moment when you find it inside  
On the line, this is your time  
And it's all I want, and it's all I do

A dream like this, is not something you wish for  
A dream like this, is not something you ask for  
When it's a gift worth taking a chance for  
Then this is something you dance for

For the love, for the fame, to bring down the rain  
By the way that you feel when they're calling your name  
For the days, nothing more, it's just you on the floor  
Oh this is something you dance for
