A dream like this not something you wish for,  
A dream like this not something you ask for,  
When it's a gift were taking a chance for,  
Then this is something you dance for...

Hey, yeah, oh, this is something you dance for,

There's a moment when you look to the side,  
Who will fall who will survive,  
That's the moment when you find it inside,  
On the line this is your time,  
And it's all I want and it's all I do...

A dream like this not something you wish for,  
A dream like this not something you ask for,  
When it's a gift worth taking a chance for,  
Then this is something you dance for...

Can you believe it you feel alive?  
Hit your mark, ready to rise,  
Your body's aching but your heart doesn't mind,  
Feel on the ground, eyes on the prize,  
And it's all I want and it's all I do...

A dream like this not something you wish for,  
A dream like this not something you ask for,  
When it's a gift worth taking a chance for,  
Then this is something you dance for...

A dream like this not something you wish for,  
A dream like this not something you ask for,  
When it's a gift worth taking a chance for,  
Then this is something you dance for...

For the love,  
For the fame,  
To bring down the rain,  
By the way that you feel,  
When they calling your name,

For the days nothing more,

It's just you on the floor,  
Oh,  
This is something you dance for...

A dream like this not something you wish for,  
A dream like this not something you ask for,  
When it's a gift worth taking a chance for,  
Then this is something you dance for...

A dream like this not something you wish for,  
A dream like this not something you ask for,  
When it's a gift worth taking a chance for,  
Then this is something you dance for... Hey hey hey
