Ooh, ooh yeah hmmm [2X]

[VERSE 1]

I know I give all of my time trying
to keep you here. And I will stay to share this moment
no matter the cost baby

Every time I think you're ready to show me your heart.
You keep holding it back, keep holding it back.
Sometimes your actions have me so confused. But I'll
take the risk. All I really wanna hear you say is I love
you.

[PRE CHORUS]

Cause there's no other girl that I would rather be with
than you. I need you. I need you. I gotta know, if you
want me just like I want you. Please tell me girl, cause' I
need you.

Haja ya wewe
You know I'll never leave you baby
Haja ya wewe
You know, you know i'll never go
Haja ya wewe
And I promise to love you forever
Haja ya wewe
Just say that you won't go

Ooh, ooh yeah
Say that you won't go

Verse 2

I feel I'm closer to having your heart but then when I
reach for it
You just pull away
I know you've been hurt but I promise to keep your
heart safe

Even when you seem so far away I feel you near. So
baby let down your guard, show me your heart, show
me your heart Right now your action got me so
confused so will you take the risk. I just wanna hear you

say, you love me.
