I've been down for a while  
Find it hard to smile  
But I say that I've moved on

I tried  
Not thinking of you  
Saying I don't love you  
But I know that I still do

I  
I need an angel  
I need an angel  
To love me  
Console me  
Take the devil within me

I  
I need an angel  
I need an angel  
To hold me  
Control me  
Wipe you from my memory

Lord,  
Send me an angel  
Why don't you send me an angel?  
Why don't you send me an angel?

I say,  
Say that I'm happy  
Glad that you're happy  
Glad that we've moved on

I tried  
Not thinking of you  
Saying I don't love you  
But I know that I still do

I  
I need an angel  
I need an angel  
To come through and tell you

I can be fine without you

I

I need an angel

I need an angel

Why don't you send me an angel?

Why don't you send me an angel?

Why don't you send me an angel?
