Wannabe  
Oh  
Millionaire  
Fuck!  
I've got something exploding inside of my head  
I will try to forget everything that you said

Royalty  
Oh  
Counterfeit  
Whore  
I will try to forget everything that you said  
I've got something exploding inside of my head

Alive  
Alive, or dead  
Alive

Company  
Oh  
Wait for it  
Oh  
I've got all that I wanted in life  
Got something you cannot buy  
I've got all that I wanted in life  
I just need a break I just need a break

I've got something exploding inside of my head  
I will try to forget everything that you said

Alive  
Alive, or dead  
Alive  
Alive, or dead

I got something exploding inside of my head  
I got something exploding inside of my head

I just need a break  
I just need a break  
I just need a break

I just need a break

Oh

Oh

Alive

Alive, or dead

Alive

Alive, or dead

Lest we forget

It's now or never

Will burn again

Will burn forever

Will burn forever
