I'm not here anymore...alright...huh
I can't hear anymore...it's a slow cry
I don't know how you feel, i'm just a cog in the wheel
A cog in the wheel
(don't you know) you're not for parole
(you don't need) to take the whole world
(something's wrong) i won't let it get to me
I know respect, i won't let it get to me
I know respect, i won't let it get to me
(bring it on)
This ain't no foolin' around...alright...huh
I ain't got time for that now...it's a...lights out
I don't know how ya feel, i'm just a cog in the wheel
I'm just a cog in the wheel
(don't you know) you're not for parole
(you don't need) to take the whole world
(something's wrong) i won't let it get to me
I know respect, i won't let it get to me
I know respect, i won't let it get to me
Bring it on
Bring it on, bring it on
Bring it on
Bring it on, bring it on
(don't you know) you're not for parole
(you don't need) to take the whole world
(something's wrong) i won't let it get to me
I know respect, i won't let it get to me
I know respect, i won't let it get to me
I know respect, i won't let it get to me
I know respect, i won't let it get to me
(just a cog in the wheel)
I know respect, i won't let it get to me
I know respect, i won't let it get to me
(just a cog in the wheel)
I know respect, i won't let it get to me
I know respect, i won't let it get to me
(just a cog in the wheel)
