Righteousness! (x2)

I wish the blindfold daughter of Earth could see

Whatâ€™s happening to her mother

To her mother

I hope Iâ€™m wrong and she will reward us according
to our deserts

According to our deserts

Accept it gracefully

Too late to be afraid

Weâ€™re ready to sacrifice

We are ready to give out lives to justice

And weâ€™ll do that as soon as she demands

As soon as she demands

[Max, what do you want for dinner? Justice!]

We want justice right here

Right now!

Righteousness! (x2)

I wish the blindfold daughter of Earth could see

Whatâ€™s happening to her mother

To her mother

I hope Iâ€™m wrong and she will reward us according
to our deserts

According to our deserts

Weâ€™re sick of waiting

Make haste

We need you!
