I see these guys every time I walk out of my front door
I leave my house to get some fresh air
I walk, I see their faces full of arrogance
They crawl, they look like serpents in the grass.

Led by the fashion and false ideas theyâ€™re just
showing off to piss me off
To piss me off
What in the world does that mean?
Triangles on your shirts
And all-seeing eyes
What the fuck is wrong with you guys?
I am the one who does not believe in this crap
You canâ€™t fill the emptiness with the emptiness
It isnâ€™t even worth trying

I think I will repeat the previous verse again
I see you guys every time I walk out of my front door
I leave my house to get some fresh air
I hope some day you will head off from the wrong way
Just donâ€™t forget about the things you truly love

Let it be our last attempt to evoke a response from you

Youâ€™re not a mirror
Youâ€™re not a reflection
So fuck the fashion (x2)

Stick to what you truly love
Donâ€™t forget about the things Iâ€™ve said
If you are born to be an eagle
Why are you pretending to be a flying rat? (x2)
Step over that
Donâ€™t be a victim
You are an eagle (x2)
