A question has come to my mind
Why do I keep asking myself?
Where are you heading like a tumbleweed?
Like a rock that falls down the cliff?
You are wasting everything!
I find it hard to believe but youâ€™™ ll always have a
chance to turn over a new leaf
Weâ€™™ re stuck between our desires
Weâ€™™ re taking hold of ourselves
But maybe thatâ€™™ s not the key
Thatâ€™™ s simply another deadlock
Another delusion
We fucked up!
What if weâ€™™ re doomed?
Whaaaaaaaaaat?
The outcome is close!
It will show you the truth!
I know that sucks to be kept in the dark!
Weâ€™™ re taking hold of ourselves
But maybe thatâ€™™ s not the key
Thatâ€™™ s simply another deadlock
Another delusion
We are free!
We are free to choose and believe in what we want to
believe
And hope that we have one more endeavour! (x3)
