Wannabe
Oh
Millionaire
fuck!
I've got something exploding inside of my head
I will try to forget everything that you said

Royalty
Oh
Counterfeit
Whore
I will try to forget everything that you said
I've got something exploding inside of my head

Alive
Alive, or dead
Alive

Company
Oh
Wait for it
Oh
I've got all that I wanted in life
Got something you cannot buy
I've got all that I wanted in life
I just need a break I just need a break

I've got something exploding inside of my head
I will try to forget everything that you said

Alive
Alive, or dead
Alive
Alive, or dead

I got something exploding inside of my head
I got something exploding inside of my head

I just need a break
I just need a break
I just need a break
I just need a break

Oh
Oh

Alive
Alive, or dead
Alive
Alive, or dead
Lest we forget
It's now or never
Will burn again
Will burn forever
Will burn forever
