on the rising tide  
rollercoaster ride  
as the truth descends  
you chose not to ride again

so you run  
whatcha holding on, holding on to  
run  
life is going on  
all around you  
run  
whatcha holding on, holding on to

you still love to dance  
love to take a chance  
but something turned inside  
and the dreams: they got left behind

so you run  
whatcha holding on, holding on to  
run  
life is going on  
all around you  
run  
whatcha holding on, holding on to  
run  
look what's going on, all around you

don't want to have to make a change  
wouldn't want to exaggerate the pain  
go running and back to the old ways

so you run  
whatcha holding on, holding on to  
run  
life is going on  
all around you  
run  
life is going on  
all around you  
run
