You find me here alone  
i hear a voice that so unknown  
it strikes courage of my backbone  
strengthens my heart  
a life set apart  
i see that what you are

define you and i weak  
the strength that carries me  
the cold through the storm  
thats what you are

you come you come with open arms  
you say i love you for who you are  
when i was haunted and alone  
with this baggage on my back dragging me down  
you set me free yeaahh..  
you set me free yeaahh..  
you set me free..

how quickly will i run away  
let it all go to my head  
i cant give in to my stubborn heart for nothing  
so dont matter if you get in my way  
why cant we just listen  
break down and pray  
get ahead

you come you come with open arms  
and you say i love you for who you are  
when i was haunted and alone  
with this baggage on my back dragging me down  
you set me free yeaahh..  
you set me free yeaahh..  
oh you set me  
you set me free  
you set me  
you set me free  
you set me  
you set me free  
you set me free yeaahh..

free...yeahh..  
when i was haunted and alone  
with this baggage on my back dragging me down  
you set me free...
