Well we're not wrong yet
When we're safe in youth
And it's on and on
Our mistakes are true

Should we take the call
When the sun gets low
It's a long day coming
If we see it all

I don't mean it was
Good enough to pretend
But it worked for a time
That's close to the end

I'll be on my own 'cause I don't feel like myself
and if she's falling down don't make a scene don't
make a sound

If we're not wrong yet
Am I safe in you?
Can it all go on
If mistakes are true

I don't mean it was
Good enough to pretend
But it worked for a time
That's close to the end

I'll be on my own 'cause I don't feel like myself
and if she's falling down don't make a scene don't
make a sound

And I'll be on my own 'cause I don't feel like myself
and if she's falling down don't make a scene don't
make a sound
