Verse 1:

Everybody's taking what they can but they can't
decide
They do what they want to cause any kind of feeling is
alright
And don't be talking maybe your mama's flying high
as a kite
You're just like the next one cause we'll be walking
lonely tonight
Lonely Tonight

Chorus:

If so, if so
We know, we'll be coming
If so, if so
We know, we'll be coming
If so, if so
We know, we'll be coming

Verse 2:

Everybody's faking like they can, it makes it alright
Tell me what you want to, cause I don't know the
wrong from the right
Just don't be talking maybe your mama's flying high
as a kite
You're just like the next one cause we'll be walking
lonely tonight
Lonely Tonight

Chorus:

If so, if so
We know, we'll be coming
If so, if so
We know, we'll be coming
If so, if so
We know, we'll be coming

Chorus:

If so, if so
We know, we'll be coming
If so, if so
We know, we'll be coming

If so, if so
We know, we'll be coming
