â€œPure Passionâ€

(Verse)

So much passion running through me,
Desire is much too wild,
Picturesque as a blossoming flower,
Enticing excitement and eager as a child.

(Verse)

Your passionate emotional rescue,
Reminders of a spring like shower,
I want it more and more, oh so much more,
To make love to you for hours and hours.

(Verse)

Just thinking about your freakish ways,
Makes me lure for more of those G String days,
To make you drip is the only way,
This is what I call the erotic pure passion play.

(Verse)

But what really makes the difference,
Between you me and her,
That causes us to see eye to eye?
Passion control is what I keep hearing,
And to gently make you cum all down your thighs.

(Chorus)

Pure Passion Pure Passion I love your freakish ways,
Dance for me baby â€” I just love it when you get,
Hot steamy passion so moist and so wet,
And more of those desirable G string days.

The essence of sheer erotica,
Dance, music, sex, romance,
From a steamy shower to a dripping flower,
Iâ€™ll put you in a pure passion trance.

(Verse)

Run me to the walls and keeping it soft and wet,
I want every emotional outburst,

So throbbing and deep as it gets.
It's been 24 hours since we last kissed,
Pure Passion you scream all night,
From Venus to mars so tight and so hard,
I'll romance you till you're wet.
