Making money like Opra, gucci bag on my shoulders,  
last night we got turned up now im past out on my sofa,  
freshman class we do it big, yall niggas just do it small,  
fake niggas i see through you can keep hatting im  
through with yall, tatted all on my left arm, ink over my  
right brow, thumbs up to my future life lets pop a bottle  
for right now, used to being a broke nigga, now my  
moneyâ€™s alright now, making music, nice sound,  
hatting niggas, pipe down, niggas say I donâ€™t live  
right just because I donâ€™t smoke weed, ignoring all  
of these fake niggas I donâ€™t let them niggas  
pervoke me, disrespect my home boys itâ€™s going  
down, titanic, freshman class we multiplying thatâ€™s  
the defenition of gigantic, if I wanted to I could get  
your girlfriend to drop her panties, for me sheâ€™ll do  
it over the web cam,real fast, 4G ,all about my money  
dog I hope youâ€™re all about yours too go broke I  
wont do because right now I canâ€™t afford to, niggas  
keep on hatting but trust me lâ€™m never stressin  
cause I came up from the bottom I know that itâ€™s all  
blessing, they keep droppin my name I just teach these  
hatters a lesson, all I do is chase my dreams and keep  
focusing on finessing. (Bow)

Corous: I never let them bring me down I just focus on  
getting doe, I just focus on adding digits, not focused  
on chasing hoes, these niggas keep on hatting  
thatâ€™s something you gotta know, I continue to let  
them hate while lâ€™m watching my money grow, and  
I flick them off and piss them off, flick them off and  
piss them off, flick them off and piss them off, I flick  
them off and piss the them off, flick them off and piss  
them off, flick them off and piss them off, flick them  
off and piss them off, I flick them off and piss the them  
off.
