"Be A Planet"

It's been a hard day,
Tomorrow's like today
So should I live up ?
And I've been taking
Another step away
But should I keep it up?

Ten years older than I was last year!
But someday I'll be a planet
Be a planet!

It's been a cold night
Ain't nothing left behind
So should I wake up?
Yeah I'll be patient
I'm losing grip again
But I'll walk 'til I drop down

I'm not crazy but I'm almost there
Will I be a planet?
Be a planet someday ?

Still spinning !

Be a planet!
Be a planet someday
Be a planet,
Quite and silent!

Ten years older than I was last year!
