Supergirl!
What you doing here?
Why you stand so near?
Couldn't we just be talking?
Supergirl!
Is there something wrong with me?
You're decent as can be
But I won't let it happen " Oh no!

There's a weight upon my chest
Like shadows from the past
I'm crying!
Few seconds from now
I'm dying!

Supergirl!
Knocking on my door
Now you're coming back for more
And I feel like caught in a crossfire!

Now that the anger's gone
I feel ready to come undone
I'm crying!
Few second from now!
No matter who takes the blame
Just something I can't explain
I'm trying " Yeah
Few seconds from now
I'm dying!

Supergirl!
Probably got it wrong
Well this is just a song
But anyway thanks for listening!
