This is no joke but a message,
This is not entertainment,
This is not life but a mission from God!
This is no house but a prison,
This is not my apartment,
This is not time but a river flowing,
This is no peace but a short break, neighbours!

Goin'™ out with nowhere to go,
Just hear the voices!
Look around " We see it all
Through dirty lenses!

This is no hope but a vision,
This is not what you™ re thinking,
This is no pain but a lesson from God!
This is no lie but a story,
But this is not Daddy talking!
This is no song but conversation,
This is no love " Just a great fuck, baby !

Goin'™ out with nowhere to go,
Just hear the voices!
Look around " We see it all
Through dirty lenses!
Falling down " We touch the ground
Then rebound " Off we go,
Just taking chances!

This is no joke but a message,
This is not life!
