Whereâ€™s the boy?  
Where his toy?  
Surely gone with the floodâ€¦

Take me back again,  
Take me home again,  
Just be back again  
My long lost friendâ€¦

Whereâ€™s the man?  
Whereâ€™s that rockâ€™nâ€™roll band?  
Bleeding hearts never mendâ€¦

Take me back again,  
Take me home again,  
Just be back again  
My long lost friendâ€¦

I can not stand being here any longer,  
I just do not even know my nameâ€¦  
All I want is you to help me remember  
But you keep just fading away,  
So far awayâ€¦  
Donâ€™t you leave me in the crowdâ€¦
