"Lost Inside A Maze"

I will go to face my own burned out soul.
I will sail somewhere innerspace my console.
I will spend all my time on a trip between the lines.
Iâ€™ve to sail to my base
Where I stay sane.
Take me outside!
I stay lost inside a maze.
I go insane.

When I stay there inside I forget all my pain.

There I shaped my own world
Where I stay sane.
Fake my life!
Fake the news!
Shape a world I canâ€™t refuse!
Fake my life!
Save my faith!
Iâ€™m lost inside your maze.
Take me outside!
I stay lost inside a maze.
I go insane.
