This telepathic hangover
Gnaws the nipples off my neck
Well, when you suck off those machine guns
Well, tell me mister, what do you expect?

I crawled through 60,000 yards
Of carnival graveyards

Witches with obscene riches chasing my mirage
Say my mirage

I'm the unicorn with tar teeth
Chewing spandex nightmares
My spine's a limousine that drives all night
But never goes anywhere
[2x]

If I sang instead of screamed
When you crushed me with your corvette
Would you change your jet for a microphone
And record the opera of deathbeds?

I'm the unicorn with tar teeth
Chewing spandex nightmares
My spine's a limousine that drives all night
But never goes anywhere
[2x]

Stare into the gruesome lights all night
And never see a fucking thing
Count weddings on our fingertips
And wonder why our love's so cheap

Vegas, you're my dream unicorn
Summer dress, so apocalyptic
[2x]

In glossy treetops teens clap while they kiss
In neon pastures pin-ups hook to your chest
Out on the streets at night the money's well spent
And pissed-off babies turn to pissed-off children
