Can I love you more?
Telling you right now
What's my name
What's my name
What's my name
Could it be forever
Just a little bit more
It's my night
It's my night
It's my night
Get to the radio
Find a little
I can't go
Draw the window down
But you can't
Does anybody really know
What tomorrow will bring
Deers and drice jumping on river
Making love to the rest
All the world that you grow up
... anything
Just keep sayin'
Just keep sayin'
Just keep sayin'
Yeah
Get to be more fire
And a single kiss
Let's find out
Let's find out
Let's find out
Baby from now on
There ain't no other red blue sky

Let's find out
Let's find out
Let's find out
Baby you're a little bit scared
That's somethin natural
Take a hold on my hand
And go
Does anybody really know

What tomorrow will bring
Deers and drice jumping on in
Making love to the rest
All the world that you grow up
Don't mean anything
Just keep sayin'
Just keep sayin'
Just keep sayin'
Yeah!
Does anybody really know
What tomorrow will bring
Deers and drice jumping on in
Making love to the rest
All the world that you grow up
Don't mean anything
Just keep sayin'
Just keep sayin'
Just keep sayin'
Yeah!
Just keep sayin'
Just keep sayin'
Just keep sayin'
Yeah!
